Calendar & Follow-up Items:

- May 5 9am – 1pm: Tours of theaters (Newman & Modesto State). Meet at City Hall. There were a few people that can't make this trip but was scheduled anyway to avoid further delay. There was discussion about splitting up groups to tour on their own and take pictures to bring back and share.
- May 19 9am +: Clean up small banquet room. This will be tentative due to the environmental report that is due back to us by May 8th that will show the asbestos, LBP and mold results.
- Sue reported on the current building process including environmental, electrical and roofing issues to make the building temporarily available until renovations begin.
- Ric is continuing to collect comments, pictures, text for the www.delriotheater.org website.
- Melissa stood in for Tim to propose the Boy Scout Eagle project and handed out a schematic of the work that they would do.
- Joey handed out a proposed Riverbank Summer Arts Festival 2007 schedule for fundraising efforts for a state of the art sound and light system.
- Jonathon said that the auditions are set to begin on the Oklahoma production in the next couple of weeks and that he has concerns regarding the festival running during his production and the possible complications regarding insurance, set disturbance and such .
- Margaret brought up the possibility of the theatre renovation going "green" and asked the group to send her information and ideas regarding architects that might have experience.
- Shawn brought up a few ideas regarding going green including Sundance-Robert Redford's efforts at restoring theatres, "Go Green" and "LEED". Also Tiger Woods efforts in the arts education arena and possibly gaining his interest in the outbuildings surrounding the theatre.
- Marilyn suggested contacting her contractor for their "green" house as well.

Next meeting will be May 15, 2007 at 6:00 p.m. in the Del Rio meeting room.
